

Flashtone Multi-Tone Sounder

Description:

Available in a wide range of colours, the FlashtoneMT will suit the majority of fire and security needs where conventional sound requires the backup of a visual alarm.

The Flashtone Multi-Tone Sounder is manufactured in flame retardant polymer in a choice of and lens colours, the FlashtoneMT is suitable for many applications and environments.

Designed and constructed by utilising the easy push and twist bayonet fitting, the FlashtoneMT can be mounted on a common bracket used on the Banshee Multitone.
